

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF TEXAS  
WACO DIVISION

UNITED STATES OF AMERICA	§	
	§	
vs.	§	NO: WA:17-CR-00105(1)-ADA
	§	
(1) ERIC REMYROH ROBLES	§	

**ORDER ACCEPTING REPORT AND RECOMMENDATION**  
**OF THE UNITED STATES MAGISTRATE JUDGE**

Before the court is the above styled and numbered cause. On August 24, 2023 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (1) ERIC REMYROH ROBLES, which alleged that Robles violated a condition of his supervised release and recommended that Robles 's supervised release be revoked (Clerk's Document No. 43). A warrant issued and Robles was arrested. On August 30, 2023, Robles appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set.

Robles appeared before the magistrate judge on September 12, 2023, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge. Following the hearing, the magistrate judge signed his report and recommendation on September 12, 2023, which provides that having carefully considered all of the arguments and evidence presented by the Government and

Defendant, based on the original offense and the intervening conduct of Robles, the magistrate judge recommends that this court revoke Robles supervised release and that Robles be sentenced to imprisonment for FIVE (5) months, with no term supervised release to follow the term of imprisonment (Clerk's Document No. 50). The Defendant should receive credit for time served since his arrest.

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On September 12, 2023, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No. 52). The court, having reviewed the entire record and finding no plain error, accepts and adopts the report and recommendation filed in this cause.

**IT IS THEREFORE ORDERED** that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 50 ) is hereby ACCEPTED AND ADOPTED by this court.

**IT IS FURTHER ORDERED** that Defendant (1) ERIC REMYROH ROBLES's term of supervised release is hereby REVOKED.

**IT IS FURTHER ORDERED** that Defendant (1) ERIC REMYROH ROBLES be imprisoned for FIVE (5) months with no term of supervised release. The Defendant should receive credit for time served since his arrest.

Signed this 19th day of September, 2023.

  
ALAN D ALBRIGHT  
UNITED STATES DISTRICT JUDGE
